SKILLS/SPECIALTIES

We are interested in hiring staff who have particular skills and interests in the areas of art, music, sports, drama, etc. While our summer program includes many activities in these areas, we are open to new and creative projects to share with the children and each other.

Describe your three best activities. Tell why you like them, and why you might enjoy teaching them to children. Please be as specific as possible, noting if you have particular teaching experience and/or if you are especially skilled at something you would like to try to teach

What do you regard as the duties, responsibilities and important aspects of the position you are applying for? (counselor, group leader, specialist, etc.)

How would you describe your philosophy of working with children? What are the things you believe are most important?

Why do you want to work at Camp Kinderland in particular?

What are your previous experiences with community living? What do you regard as the challenges and benefits of living, working, and sharing closely with people for a summer?

What most excites you about the possibility of a summer at Kinderland?

What most concerns you about a summer at Kinderland?

Is there anything else you would like to tell us about yourself? Do you have any questions?
